Task	Completed
1. Individual PRODA Account	
If you don't have an individual PRODA account, please follow the guide <u>here</u> to register an account.	
Note: You may have already registered a PRODA individual account to apply for your HPI-O for your NASH certificate to connect to MyHR and paperless electronic prescriptions (eScripts).	
2. Organisation Registration in PRODA	
If you don't have your organisation registered in PRODA, please follow the guide <u>here</u> to register your organisation.	
Note: You may have already registered a PRODA organisation account for recording vaccinations to the Australian Immunisation Register (AIR).	

3. Add PBS Online Service in PRODA	
Once you have access to PRODA, you will then need to add <u>PBS</u> Online as a service in PRODA.	
4. Register B2B Device	
This step can only be completed if you are on Z Dispense v2.4.85+.	
Once you have received the relevant software update, you will need to <u>register a B2B Device</u> .	
If you don't have access to our Help Portal, you can also find the steps in our Release Notes by going to <i>Z Dispense > Help > Release Notes</i> .	
Note: Please contact us if you would like access to our <u>Help Portal</u> .	
5. Set Up PBS Online Web Services in Z Dispense
